it is 1936 and boy willie arrives in pittsburgh from the south in a battered truck loaded with watermelons to sell he has an opportunity to buy some land down home but he has to come up with the money right quick he wants to sell an old piano that has been in his family for generations but he shares ownership with his sister and it sits in her living room she has already rejected several offers because the antique piano is covered with incredible carvings detailing the family s rise from slavery boy willie tries to persuade his stubborn sister that the past is past but she is more formidable than he anticipated

now a netflix film starring samuel l jackson winner of the new york drama critics circle award for best play this modern american classic is about family and the legacy of slavery in america august wilson has already given the american theater such spell binding plays about the black experience in 20th century america as ma rainey s black bottom joe turner s come and gone and the pulitzer prize winning fences in his second pulitzer prize winner the piano lesson wilson has fashioned perhaps his most haunting and dramatic work at the heart of the play stands the ornately carved upright piano which as the charles family s prized hard won possession has been gathering dust in the parlor of berniece charles s pittsburgh home when boy willie berniece s exuberant brother bursts into her life with his dream of buying the same mississippi land that his family had worked as slaves he plans to sell their antique piano for the hard cash he needs to stake his future but berniece refuses to sell clinging to the piano as a reminder of the history that is their family legacy this dilemma is the real piano lesson reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present

in this critical study mary l bogumil argues that wilson gives voice to disfranchised and marginalized african americans who have been promised a place and a stake in the american dream but find access to the rights and freedoms promised to all americans difficult the author maintains that wilson not only portrays african

americans and the predicaments of american life but also sheds light on the atavistic connection african americans have to their african ancestors

fierce and passionate the ground on which i stand is august wilson s eloquent and personal call for african american artists to seize the power over their own cultural identity and to establish permanent institutions that celebrate and preserve the singular achievements of african american dramatic art and reaffirm its equal importance in contemporary american culture delivered as the keynote address of theatre communications group s 11th biennial conference in june 1996 this speech refocused the agenda of that conference and spurred months of debate about cultural diversity in the american theatre culminating in a standing room only public debate at new york city s town hall

set in 1904 august wilson s gem of the ocean begins on the eve of aunt esther s 287th birthday when citizen barlow comes to her pittsburgh s hill district home seeking asylum she sets him off on a spiritual journey to find a city in the middle of the atlantic ocean gem of the ocean is the ninth work in wilson s ten play cycle that has recorded the american black experience and helped to define generations the broadway run starred tony award winner phylicia rashad as aunt esther

from the pulitzer prize winning author of fences and the piano lesson comes a vivid and uplifting time play about unsung men and women who are anything but ordinary august wilson established himself as one of our most distinguished playwrights with his insightful probing and evocative portraits of black america and the african american experience in the twentieth century with the mesmerizing two trains running he crafted what time magazine called his most mature work to date it is pittsburgh 1969 and the regulars of memphis lee s restaurant are struggling to cope with the turbulence of a world that is changing rapidly around them and fighting back when they can the diner is scheduled to be torn down a casualty of the city s renovation project that is sweeping away the buildings of a community but not its spirit for just as sure as an inexorable future looms right around the corner these people of loud voices and big hearts continue to search to father to persevere to hope with compassion humor and a superb sense of place and time wilson paints a vivid portrait of everyday lives in the shadow of great events

in the dramatic vision of august wilson sandra shannon follows the playwright s path through each decade from the outset she considers how he uses poetry the blues romare bearden s art and other cultural artifacts to lead him to imagined sites of pain and resignation healing and renewal in the collective memory of black america it is in these places of defeat and victory shannon demonstrates that wilson creates drama as he excavates examines and reclaims the past although wilson diverts attention away from factual details and focuses on the human costs of family dislocation chronic unemployment or cultural alienation shannon illustrates how fully the plays are grounded in credible historical contexts from slavery and emancipation to the aftermath of world war ii the 1960s and the vietnam war moreover she identifies and analyzes the themes that recur in some plays and branch off in new directions in others including the dislocations that attended black migration to the north and communication gaps between black men and women as she examines each of the plays in wilson s dramatic history of the african american experience
